

IB/AP Spanish Summer 2020 - Diarios de Español

To be completed in SPANISH and emailed to me by Friday, August 7, 2020:

A. Reading Practice -

Select 1 article from an original Spanish digital edition newspaper or magazine on **4** of the following topics. You will summarize the articles in your own words, and include 10 new vocabulary words with translations for each article, plus attach a copy or link to the article. (Write in your own words, NO use of an electronic translator or plagiarizing in your summary or automatically - 0 points given)

Topics:

- Changing role of men and women in Hispanic society,
- Environmental or Health challenges in Spanish-speaking countries,
- Cultural Diversity in Spanish-speaking countries,
- Customs and traditions in Spanish speaking country,
- The role of sports in Spanish speaking countries,
- The role of technology in Spanish-speaking countries and the technology gap,

B. Listening practice - www.nationalspanishexam.org/

- Click on the tab “exam preparation” then select “online past exams” from the pull down menu
- Go to the listening comprehension box and complete 2 listening activities from each level: Level 4, Level 5 and Level 6. The questions are in English, but the audio clip is in Spanish and it's still a really good practice to help you get used to hearing and understanding Spanish.
- Write the test section you used and the correct answer for each one. Should be 6 total tests.

(It is also a good idea to watch/listen to some fun sports radio, telenovelas, or news to keep up and practice! Extra points - watch an original movie in Spanish and write an original review for the school newspaper (in the correct format, with examples from the movie and your opinion)

C. Grammar practice - Vocabulario – You will be tested on the vocabulary from the following sections during the 1st semester. You can work in advance by practicing the following vocabulary words. The more you learn in the summer, the easier it will be when we get to these readings during the school year!

- Go to quizlet.com, Search for SraFern and join my **AP/IB class** (my picture is a penguin)
- Search for and study the following vocabulary lists:
 - Tiempo de Juego
 - Tocar y Luchar
 - Transitions
 - No sin mi móvil
 - IB Spanish Themes
 - 100 Most common verbs

QUESTIONS? Email: Denise_K_Fernandez@dekalbschoolsga.org
I will reply to emails once per week during the summer.

Spanish Diarios are due on August 7 with the 4 article summaries and 6 listening responses.

These will be counted in the Summative grade category!
