Congratulations Ms. Morgan Hutchinson!

L—R, Ms. JoAnne Branch, AP; Ms. Hutchinson; Dr. Hallford, Rotary President; Ms. Beverly Hutchinson, mother-in-law.

Ms. Morgan Hutchinson was selected by the DeKalb County Rotary as their Teacher of the Year. She has taught at Tucker for three years. Ms. Hutchinson currently teaches, 9th grade literature, 10th grade world literature and works with pre-IB students.

She also sponsors Habitat for Humanity.

YEARBOOK 2017-2018

Students interested in taking the year-book/journalism class next year must see Ms. Tracy McSwain for an application in room B317. Applications are due no later than the end of the day on **Tuesday, March 7th.**

A star student is a senior who has scored the highest on the SAT exam.

Tucker High’s star student is senior, Daniel Wade. The star student then selects the star teacher who has had the greatest influence in his high school career. He has selected Madame V. Davis, French teacher.

Is it real or fake news? How do you know? 8 of 10 teenagers share information **WITHOUT** checking to make sure it's true. To encourage students to think about whether something is real or not, the Media Center is sponsoring a competition. Students can go to the website is: <https://ticklingtech.wordpress.com/real-or-fake-quiz/> and take the quiz. They only have 30 seconds to complete it. Winners in each grade will be drawn from the group of correct answers.

The correct answers to the quiz will be shared after Teen Tech Week. Try it out and remember to think before you click!

Mr. Udo, science teacher, took a group of students to Jolly Elementary to have them teach them about DNA!

A wonderful experience for both groups!
