Governor's Honor's Program

It's that time of year again where our students will have the opportunity to compete with other Georgia students in areas that they have excelled in. GHP is an annual summer residential program that is enjoyed by students across the state, and we are encouraging our students, if nominated, to participate in this experience as well. They must be nominated by a teacher and can only participate in one subject area. Physical Education is excluded.

Thanks in advance for assisting. GO Tucker Tigers!!!!!!

Please see the school website for details on this program.

Reminder: The school day will be extended by 20 minutes beginning October 2 – 31st.
