

AP World History Summer Reading & Assignments 2022-23

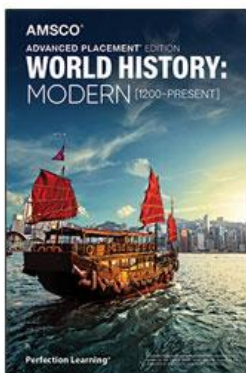

Books to Buy:

1. **A History of the World in 6 Glasses** by Tom Standage This can usually be found used for under \$10 at various online book sellers.

2. **AMSCO- World History: Modern (1200-Present)** Ordering directly from the publisher is generally the cheapest way to purchase this book. The link is included here. Order this early as it tends to be harder to get the closer it is to the beginning of the school year.
