March 28, 2022

Dear Parent (s)/Guardian(s):

The Georgia Department of Education requires all students who are enrolled for credit in any of the courses listed below to take the Georgia End of Course (EOC) upon course completion. The following four courses in Georgia have EOCs: **Biology, US History, American Literature, and Coordinate Algebra.**

According to The Georgia Board of Education, the End-of-Course serves **as the final exam** for these courses listed above. The Board established a grade of 70 as the "passing score" for the End-of-Course Test and for all courses. **Additionally, for the 2021-2022 school year, the End-of-Course Assessment will weigh 20% of a student's final grade.**

For a student to receive credit for an End-of-Course, the average of the coursework and the EOC score must equal or exceed 70. (See Georgia SBOE rule 160-4-2-.13.)

Below is the Spring 2022 EOC test schedule:

Georgia Milestones: End of Course (EOC) SPRING	
Day of Testing	EOC Content
Tuesday, April 19	American Literature Part I
Wednesday, April 20	American Literature Part II and III
Thursday, April 21	MAKE-UP DAY
Friday, April 22	NON TESTING DAY
Monday, April 25	Biology Part I and II
Tuesday, April 26	Coordinate Algebra Part I and II
Wednesday, April 27	US History Part I and II
Thursday, April 28	MAKE-UP DAY
Friday, April 29	MATERIAL CHECK-IN DAY (Non Testing Day)

It is the expectation that every student enrolled the four courses identified above take the End-of-Course (EOC). Students who fail to take the End-of-Course (as required) during this testing window, must do so by the end of the next subsequent grading period.

Respectfully,

A handwritten signature in black ink, appearing to read "Eric Parker".

Eric Parker, Principal
